Headteacher/Prifathro: Mr L Jarvis

11 May 2016

Dear Parent/Carer

The Engineering Education Scheme Wales is offering a fantastic opportunity for up to seventy five Year 10 female pupils to attend a Girls into STEM day at GE Aviation Caerphilly on Friday 27th May. The day will feature a tour of the site and an insight into the careers available within the STEM sector. The day will also involve hands on activities to encourage female pupils to take STEM subjects.

Since there are seventy five places available this means we are in a fortunate position to offer this great opportunity to all year 10 girls with an added bonus of no cost to yourselves. Consent forms are to be completed and returned to reception no later than 16th May.

Transport will be provided free of charge and the students will be accompanied by 5 members of staff. Students will be required to provide a packed lunch, wear sensible clothes (arms and legs covered) and footwear (flat shoes and no sandals).

The event will run during the school day so we will depart at 9.00 a.m. and return by 3 p.m.

Yours sincerely

Liane Page
Head of Careers

REPLY SLIP - Girls into STEM day at GE Aviation 27.05.16

Please return to the Main Office by Monday 16th May 2016

PUPIL NAME: _____ Reg: _____

I give my consent for my child named above to attend the Girls into STEM day at GE Aviation, Caerphilly.

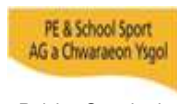

I agree to support the School in enforcing the Code of Conduct. I understand that in the unlikely event that my child breaks the Code of Conduct, I will support the school's decision about the appropriate sanction.
