## RE: Maths Revision

Dear Parent / Guardian

Your child will be expected to attend compulsory Mathematics revision after school on Monday. The revision session will take place 3pm to 3:40pm for the next 6 weeks in the run up to the November examinations.

Attendance is imperative so that we are able to focus on specific skills ready for their exams. Students who attended these revision sessions last year found them highly beneficial. This was clearly reflected on results day with the school securing the highest GCSE maths results in its history.

Thank you for your support

*L Foreman*
