Dear parents / guardian

Your child was selected to represent St Martin's in the United Kingdom Mathematics Trust Junior challenge on the 26<sup>th</sup> April. The UKMT is a registered charity whose aim is to advance the education of children and young people in maths. Further information about the Trust and its activities is available at [www.ukmt.org.uk](http://www.ukmt.org.uk).

One hundred students from St Martin's Year 7 and 8 were entered. Over 260,000 pupils from across the UK sat this challenge with roughly 6% receiving a gold certificate, the next 13% a silver certificate and the next 21% receiving the bronze certificate.

I am very proud to enclose the bronze certificate your child received after taking part in the challenge.

Many thanks

Mrs L Page  
Teacher of Mathematics
