## Year 12 Subject Offer 2019 - St. Martin's School - Tuesday 11th December 5pm

Dear Parent/ Carer,

Students have been working extremely hard towards their GCSEs, of which, some have already been showing some of the best results to date at St. Martin's School. This is also a very important time to provide the students with the opportunity to choose their options for post-16 education.

In a recent assembly, we explored next steps for learners regarding the place they wish to continue their education, along with subjects of interest. We have reviewed this information to create an overview of the KS5 subjects we can offer for September 2019.

As part of the Christmas festival, all subjects will present their individual subjects on offer in the Old Hall. There will be specific information on each course to include specification and subject content, examples of work and assessment processes along with an opportunity to discuss the subject with the lead teacher.

It is important that students are aware of their current progress, which was shared on the interim report. If you wish to find out this information it will be available from myself or Mr Yeoman.

I am very proud of my year group and their achievements to date and I am looking forward to seeing as many of you as possible next Tuesday and also continuing your studies at St. Martin's Sixth Form.

Kind Regards

Mrs L. Jolliffe

Head of Year 11
