

Donate to our Easter Egg Appeal!

We are collecting donations this Easter for young people and women supported by Llamau. Can you help?

Receiving an Easter egg and celebrating Easter is probably something most of us take for granted. But many of the young people and women we support simply won't receive an egg without your support.

We are asking for donations of chocolate eggs or, if you prefer, you can donate £1 (or your chosen amount) which will be used to purchase Easter eggs*

We are also asking for messages of support which will be given out with your gift. If you have donated, please take time to fill in one of our cards with a kind message.

*If we raise more money than we need to provide everyone with an Easter egg, your donation will be used to fund our vital services preventing homelessness, providing safe accommodation and supporting people to leave homelessness behind for good,
