- Head of Sixth Form
- Criminology Teacher

## **Miss Hopkins**

- Head of Sixth Form
- Art Teacher

# Sixth Form Mission Statement

***'St Martin's Sixth Form is a dynamic, progressive, and supportive place of learning. We foster an environment that provides a wealth of academic and personal opportunities for students, equipping them with the skills, knowledge and personal attributes to make them exceptionally well prepared members of our future global community. Our well designed, learning environment inspires all to learn together and achieve forever.'***

# Sixth Form Standards

- St Martins aims to develop our sixth form students to reach their full potential

## **We aim to:**

- Set standards for success
- Prepare and help sixth form students to take responsibility of their own lives
- Provide opportunities for students to provide them with a flying start to their career

# Student Support

- Students at St Martin's Sixth Form are supported through the Sixth Form Team, Form Tutors and Subject Teachers.
- Together we aim to monitor students academic progress and personal development
- We hold a Core Skills class daily which is compulsory for students to attend unless they have no scheduled lessons that afternoon. It is an open and safe space to discuss any issues and overcome any problems.
- We use various platforms to communicate with students to inform on any updates, events and opportunities.
- We aim to teach A-levels to ensure they are robust, to prepare our students to keep up with the demands of universities and working environments.

# Student Support Continued

- We aim to bring the sixth form together collectively but also allow students to grow individually to gain a sense of responsibility.
- Students have access to specialist careers advice and receive support when applying to Higher education which includes university visits, guest speakers, events, online resources and practice interviews.
- We provide guidance to ensure our students are maximising their opportunities, keeping options open for the future through their subject choices, university choices and work experience gained.
- We aim to give as much one to one support to our students through an open door policy with our sixth form team, through face to face and email.
- We aim to provide each student with the opportunity to express their opinion on any issues and improvements that can be made. Our Senior Prefect Team led by Sixth Formers allow our students to become more involved in the changes, improvements and decision making process at St Martin's.

# What we expect from you:

- At St Martin's we have high expectations of our Sixth Form Students.

## **We expect you to:**

- Attend your lessons in a punctual manner
- Be proactive in your learning and lessons (which is important for your references)
- Be accountable for any absences or lateness when questioned sensitively and provide an explanation
- Use the sixth form house to work in respect of your other peers
- Meet deadlines in a timely manner
- Work together with your peers in a collaborative manner
- Help make St Martin's a safe and pleasant place for all

# What you can expect from us:

## **You can expect us to provide:**

- High quality teaching in your subjects
- Excellent learning facilities (Sixth Form House)
- Constructive feedback on your work
- Support in your learning and application processes
- Advice, Information and Guidance on career education and your future choices
- Volunteering, Work experience and Employment Opportunities for your career choices and potential future pathways (Remember you are always representing St Martin's)
- Opportunities for students to develop and gain experiences, adopt responsibility and demonstrate initiative

# We expect you to be a role model inside and outside of the school

Remember you are always representing St Martin's when conducting work experience, placements, volunteering, employment opportunities and when attending events.

Therefore, we expect the same standards, quality, expectations, punctuality, behaviour and respect.
