

Careers Wales

Sixth Form students at St Martins School are supported not only by staff but by a qualified careers advisor from Careers Wales:

- Our Careers Advisor is available weekly for advice and support.
- Students will need to register on Careers Wales to access the information provided on Careers Wales' website.
- Careers Wales have a phone line for students to call for advice: 0800 028 48 44

Here at St Martin's, we believe every young person, especially from the age of 16+ needs career and post A-level guidance to make informed decisions about their future. We aim to provide support and high quality advice from our Sixth Form team and careers service.
