Dear Parent/Guardian

## **Re: Trip to New York Washington – July 2020**

I appreciate you may have some questions in relation to the current Covid-19 topic, so I just wanted to update and assure you we are monitoring this closely and will keep you informed should this affect our tour in any way.

### **Statement from Emily Ball our Senior Long Haul coordinator**

“As I am sure you have seen over the last few weeks, the situation is changing daily, so it would be difficult to predict how your tour may be affected at this stage. As a member of the School Travel Forum, inspiresport are receiving regular updates and advice from ABTA and, in turn, the FCO. The safety of your travelling party is of paramount importance to us, so will keep you updated with any changes.”

Also below I have included the link to the statement released by the company via their website. Can I please ask that you do not contact the company on an individual basis. We as a school will be in contact via the school website and twitter with updates regarding the tour.
