ITALY TRIP - EASTER 2021

Dear Parent/Guardian(s)

Firstly, thank you for your patience in relation to this trip. I know a lot of money has been paid already and you will have obviously had concerns regarding whether this trip would run.

Unfortunately, due to the unforeseen circumstances surrounding global travel and the postponement/cancellation of other trips being at St. Martin's I have taken the decision to cancel the Italy trip for next year.

I understand that this is not an ideal solution but I have not been able to agree alternative arrangements with the travel company and felt it was more useful to cancel this trip giving pupils and parents more notice about the changes.

No money has been paid to the travel company as I felt it was worth holding onto all funds until travel arrangements/guidance was better outlined by the correct authorities. Therefore, money can be refunded in full. **Please complete the attached form and ask your child to take this to the school's finance office when they return to school in order to organise the refund.**

We will of course look to rearrange the same/similar trips in the future and I hope your son/daughter will be able to attend.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr J. Richards

Teacher of Geography and Head of Learning Year 11
